Application No. 51212

ORDER AMENDING DECISION NO. 76668

Applicant has petitioned for modification of Decision No. 76668 issued herein on January 13, 1970, alleging that as of November 10, 1969 it had ceased to fly direct between Sacramento and Eureka, substituting therefor service via San Francisco.

Applicant seeks to have Route 7 removed from the certificate granted in that decision on the grounds that a combination of its Routes 1 and 3 adequately authorizes the service via Sacramento. Applicant has accepted the granted certificate, conditioned upon this modification.

The Commission finds that since November 10, 1969 applicant has been operating between Sacramento and Eureka via San Francisco.

The Commission concludes that Appendix A of the certificate heretofore granted to Golden Pacific Airlines, Inc., by Decision No. 76668 should be amended to eliminate Route 7. A public hearing is not necessary.

1. Appendix A of Decision No. 76668 is amended by incorporating therein First Revised Page 1, attached hereto, in revision of Original Page 1.

2. In all other respects Decision No. 76668 shall remain in full force and effect.

The effective date of this order shall be the date hereof.
