SUPPLEMENTAL OPINION AND ORDER

Decision No. 77086, entered today in the  
above proceeding authorized cancellation of the charge in Minimum  
Rate Tariffs 1-B and 19 for unloading and/or segregating pool  
shipments of furniture and furniture parts including transportation  
and certain accessorial services incidental thereto. The decision  
also provided that Minimum Rate Tariff 19 should be amended by  
separate order to avoid duplication of tariff distribution.

IT IS ORDERED that:

hereto and by this reference made a part hereof.

2. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decision No. 41363, as amended, are hereby directed to establish in their tariffs the increases necessary to conform with the further adjustments ordered herein.

3. Tariff publications required to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and such tariff publications shall be made effective not later than May 23, 1970; and tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff page incorporated in this order.

4. Common carriers, in establishing and maintaining the rates and charges authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates and charges published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

This order shall become effective twenty-four days after the date hereof.
