Case No. 5603
(Petition for Modification
No. 83)
(Filed April 1, 1970)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 77175, entered today in Case No. 5432, et al. the Commission found that various minimum rate tariffs should be amended to reflect the adoption of National Motor Freight Classification A-11 in lieu of National Motor Freight Classification A-10. The decision also provided that Minimum Rate Tariff No. 11-A should be amended by separate order to avoid duplication of tariff distribution.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 11-A (Appendix A of Decision No. 50114, as amended) is further amended by incorporating therein to become effective June 11, 1970, Eleventh Revised Page 4, attached hereto and by this reference made a part hereof.

2. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decision No. 50114, as amended, are hereby directed to establish in their tariffs the amendments necessary to conform with the further adjustments ordered herein.

3. Tariff publications required to be made by common carriers as a result of the order herein shall be made effective June 11, 1970, on not less than five days' notice to the Commission

and to the public and tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than June 11, 1970, and may be made effective on not less than five days' notice to the Commission and to the public if filed not later than August 10, 1970.

4. Common carriers, in establishing and maintaining the amendments authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the amendments published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

5. In all other respects Decision No. 50114, as amended, shall remain in full force and effect.

This order shall become effective thirty days after the date hereof.

Dated at San Francisco, California, this 5th day of May, 1970.
