FURTHER ORDER EXTENDING TIME

By Decision No. 75373, dated February 25, 1969, in Application No. 50391, applicant was authorized to provide passenger service by air between Long Beach and Mammoth Lakes Airport, on the one hand, and between San Francisco and Mammoth Lakes Airport, on the other hand, with interim service to Bishop Airport.

Applicant has advised by letter dated May 25, 1970, that several of its stock distributors ceased operating without notice and seriously slowed its stock distribution program. Applicant now requests additional time to enable it to obtain an investment of private capital since applicant's directors and officers have already invested \$400,000 over a 30-month period. It requests that the time within which to comply with the decision be extended to January 1, 1971.

IT IS ORDERED that the time within which to commence service and to file tariffs and timetables pursuant to Ordering Paragraph 2(b) of Decision No. 75373 is hereby extended to January 1, 1971.
