O P I N I O N

Lyon Van & Storage Co. requests authority to relocate its public utility warehouse operations in the City of Sacramento.

By Decision No. 62171, dated June 27, 1961, in Application No. 43280, applicant was authorized to conduct public utility warehouse operations in 20,000 square feet of floor space, exclusive of 50,000 square feet of expansion space permitted by Section 1051 of the Public Utilities Code, at 1001 Fee Drive, Sacramento. Applicant requests authority to transfer its operations to a warehouse located three blocks away at 1329 Fee Drive, Sacramento. The proposed facility is a single-story concrete building consisting of 67,328 square feet of space and is equipped with sprinklers.

After consideration the Commission finds that the proposed transfer would not be adverse to the public interest. A public hearing is not necessary.
