And Related Matter

Application No. 52094  
 (Filed July 31, 1970)

O R D E R

The State of California Department of Public Works is hereby authorized to alter the crossing of State Route 104 at grade with a track of the Amador Central Railroad Company, Crossing No. 12-2.2, in Amador County, as described and substantially as shown in the application. Width of crossing shall be not less than 40 feet and grades of approach not greater than three percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B).

Construction expense of the crossing shall be borne in accordance with an agreement entered into between the parties or, if they fail to agree, by further order of the Commission. Maintenance cost of the crossing outside of lines two feet outside of rails shall be borne by applicant. The Amador Central Railroad Company shall bear maintenance cost of the crossing between such lines.

Installation cost of the automatic crossing protection shall be divided equally between the applicant and the railroad. Maintenance cost of the automatic protection shall be divided equally between the applicant and the railroad, pursuant to the provisions of Section 1202.2 of the Public Utilities Code.

The widened portion of crossing shall not be opened to public use until the protection ordered herein is installed and operative.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within two years unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 15<sup>th</sup> day of AUGUST, 1970.
