Application No. 52142
(Filed August 19, 1970)

ORDER

Southern Pacific Transportation Company is hereby authorized to construct an industrial drill track at grade across Doe Avenue in Visalia, Tulare County, at the location described in the application, to be identified as Crossing No. BAC-248.65-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflective sheet material. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be

extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant desires to commence construction of the crossing as soon as possible. The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 22nd day of SEPTEMBER, 1970.
