Decision No. 77808

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

EDDIE BROWN,
Complainant,
vs.
EAST MENDOTA WATER COMPANY,
Defendant.

Case No. 9059
(Filed May 8, 1970)

ORDER OF DISMISSAL

Complainant, by letter from his attorney dated September 15, 1970, requested that his complaint be "taken off calendar" as the East Mendota Development Corporation of which he is president has reached an oral agreement to purchase the East Mendota Water Company.

The same letter requests that the application of East Mendota Development Corporation to serve the area now served by East Mendota Water Company be "taken off calendar" because the Development Corporation is now attempting to form a local district for water and sewer services at the request of federal government officials.

Because of the circumstances relating to the present posture of East Mendota Development Corporation we shall treat the request that this matter "be taken off calendar" as a request for dismissal.

IT IS ORDERED that the complaint in Case No. 9059 is dismissed.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 14th day of OCTOBER, 1970.
