Application No. 52116
(Filed August 10, 1970)

O R D E R

State of California Department of Public Works in connection with improvement of State Route 57, is hereby authorized to construct a crossing at separated grades over the Southern Pacific Transportation Company's Tustin Branch, to be identified as "Douglass Overhead" (Crossing No. BM-513.4-A) near Anaheim in Orange County, at the location described and in the manner as shown in the application.

Clearances shall be in accordance with General Order No. 26-D, except that during the period of construction, a clearance of not less than 22'0" above top of rail is authorized and Southern Pacific Transportation Company is authorized to operate with such reduced clearance provided appropriate bulletins are issued, and filed with the Commission, advising train and engine crews of the temporarily impaired clearance condition and forbidding trainmen to ride on the tops of cars while operating beneath the structure.

Applicant shall notify the Commission and Southern Pacific Transportation Company at least 15 days but not more than 30 days in advance of the date when the temporary impaired clearance will be created.

Walkway areas adjacent to Southern Pacific Transportation Company tracks shall be maintained free of obstructions and shall promptly be restored to their original condition in the event of damage during construction.

Construction and maintenance costs shall be borne in accordance with an agreement to be entered into between the parties and a copy of said executed agreement, together with plans approved by the Southern Pacific Transportation Company, shall be filed with the Commission prior to commencement of construction. Should the parties fail to agree, the Commission will apportion the costs by further order.

Within thirty days after the completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within three years unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 11th day of OCTOBER, 1970.
