Application No. 51972
(Filed June 18, 1970)

ORDER

The Southern Pacific Transportation Company is hereby authorized to construct two industrial spur tracks at grade across an alley near Eighth Street and Mateo Street in the City of Los Angeles, Los Angeles County, at the location described in the application, to be identified as Crossing No. BG-486.6-CD. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72 and of a width to conform to the portion of the alley now graded, with tops of rails flush with the roadway and with grades of approach as shown on plans attached to the application. Protection shall be by one Standard No. 1 crossing sign (General Order No. 75-B) reflectorized with reflex-reflective sheet material.

Applicant shall bear entire construction and maintenance expense.

No train, engine or car shall be operated over the crossing until after the protection ordered herein is installed.

No obstructions shall be placed or remain near the crossing sign which will impair the motorists' view of the sign.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with.

Applicant alleges the industry is in need of immediate service in order to avoid expensive delay.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 4th day of NOVEMBER, 1970.
