BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
ALISAL WATER CORPORATION, a corpora-  
tion, for authority to increase rates  
for water service. }

Application No. 51341

ORDER EXTENDING TIME

Ordering paragraph 3 of Decision No. 77509, dated July 14, 1970, provides that Alisal Water Corporation shall comply with the provisions of the main extension rule with respect to adjusting past and future main extension advances to actual construction costs and report completion of such adjustments on past contracts to the Commission on or before September 30, 1970.

In a letter received September 23, 1970, the utility requested that the date of September 30, 1970 be extended to November 16, 1970, so as to give the utility sufficient time to gather the necessary material and possibly file a request for authorization to deviate from the main extension rule. Decision No. 77832, dated October 20, 1970, extended the date of September 30, 1970 to November 16, 1970.

In a letter received November 16, 1970, the utility requests that the date of September 30, 1970 be further extended to December 16, 1970.

A-51341

The Commission finds this request to be reasonable; therefore,  
IT IS ORDERED that:

The date of September 30, 1970 in paragraph 3 of Decision  
No. 77509 is extended to December 16, 1970.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 24th  
day of NOVEMBER, 1970.
