ORDER CONSOLIDATING PROCEEDINGS AND
DENYING REQUEST FOR CEASE AND DESIST

Complaints having been filed by California Community Television Association (Case No. 9008) and Cablecom General of Northern California, Inc. (Case No. 9165), and the Commission being of the opinion that said complaints involve related questions of law and fact and that the request by Cablecom General of Northern California, Inc., for immediate cease and desist order would appear to require a prejudgment of the issues raised in Case No. 9008 and of the interpretation to be accorded Interim Decision No. 77185 therein,

IT IS ORDERED that Case No. 9008 and Case No. 9165 are consolidated, and

IT IS FURTHER ORDERED that request by Cablecom General of Northern California, Inc., for an immediate cease and desist order is hereby denied.

Dated at San Francisco, California, this 5th day of JANUARY, 1971.
