Decision No. 78221

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of CITIZENS UTILITIES COMPANY OF CALIFORNIA, a corporation, for authority to increase its rates and charges for its water system serving the Niles-Decoto area in Alameda County.

Application No. 48906

ORDER EXTENDING TIME

The Commission has received a written request from applicant to extend the time for compliance with ordering paragraph 2 in Decision No. 77210, dated May 12, 1970.

The decision requires the replacement of approximately 8,900 feet of water main in the Niles water district by December 31, 1970. Applicant states that its contractor has been unavoidably delayed by late delivery of materials and weather conditions. It appears that a 31-day extension of time is reasonable and should be granted; therefore,

IT IS ORDERED that ordering paragraph 2 of Decision No. 77210 is amended to show January 31, 1971 in place of December 31, 1970 as the time limit for compliance with ordering paragraph 2.

This order shall be effective on the date hereof.

Dated at San Francisco, California, this 26th day of JANUARY, 1971.
