Decision No. 78346

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of SOUTHERN PACIFIC TRANSPORTATION
COMPANY for an order authorizing the
construction at grade of an industrial
drill track in, upon and across East
Florence Avenue in the City of Fresno,
County of Fresno, State of California.)

Application No. 52418
(Filed January 22, 1971)

O R D E R

The Southern Pacific Transportation Company is hereby authorized to construct an industrial drill track at grade across East Florence Avenue in the City of Fresno, County of Fresno, at the location described in the application, to be identified as Crossing No. BC-208.38-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two percent. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B). Applicant shall bear entire construction and maintenance expense.

Clearances shall conform to General Order No. 26-D. Within the area of the grade crossing construction, walkways for a distance of 6' from the rail on both sides of the track, shall provide a reasonable regular surface with gradual slope not to exceed 1" vertical to 8" horizontal in all directions of approach in accordance with the provisions of General Order No. 118.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with.

Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 22nd
day of FEBRUARY, 1971.
