Decision No. 78507

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
ANGORA WATER CO., a corporation, and  
GARDNER MOUNTAIN WATER CO., a cor-  
poration, for an order authorizing them  
to merge and authorizing ANGORA WATER  
CO. to issue share certificates upon  
conversion of the shares of GARDNER  
MOUNTAIN WATER CO.

}  
Application No. 52280  
Filed November 5, 1970

ORDER EXTENDING TIME

By letter received March 5, 1971, Angora Water Co. requests an extension of time until May 1, 1971 to comply with ordering paragraph 7 of Decision No. 78036 dated December 8, 1970 in this proceeding. Ordering paragraph 7 of above decision requires Angora Water Co. within thirty days after the effective date of the merger, to refile the tariff map and rate schedules applicable to the area served by Gardner Mountain Water Co.

Angora requests the extension of time to enable it to coordinate its map filing in this matter with a map filing it expects to make as a result of an expected decision in Application No. 51517 enabling the utility to extend service to Tahoe Paradise Addition Units 4 and 5.

Utility's request for an extension of time, in the circumstances, is reasonable.

Therefore, IT IS ORDERED that the time for compliance by Angora Water Co. with the provisions of ordering paragraph 7 of Decision No. 78036 herein, is extended to and including May 1, 1971.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 2nd day of APRIL, 1971.
