Case No. 5439  
Petition for Modification No. 140  
(Filed February 2, 1971)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 78586, entered today in Case

No. 7858 (Petition for Modification No. 93) et al., established a revised exception rating for egg case or egg carrier filler flats, as described in Item 60360-A of National Motor Freight Classification A-11, in Minimum Rate Tariff 9-B. The decision also provided that said tariff should be amended by separate order to avoid duplication of tariff distribution.

IT IS ORDERED that:

1. Minimum Rate Tariff 9-B (Appendix A of Decision No. 67766, as amended) is further amended by incorporating therein, to become effective May 29, 1971, the revised pages attached hereto and made a part hereof by this reference, said pages being specifically identified as:

Fifth Revised Page 4

Seventh Revised Page 35

2. Tariff publications required to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the tenth day after the effective date of this

order on not less than ten days' notice to the Commission and to the public and such tariff publications shall be made effective not later than May 29, 1971; and the tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order, and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

3. Common carriers, in establishing and maintaining the rating authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rating published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects said Decision No. 67766, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty-four days after the date hereof.

Dated at San Francisco, California, this 20th day of APRIL, 1971.
