Application No. 52297
(Filed November 13, 1970;
Amended December 17, 1970)

SECOND INTERIM OPINION

Golden West Airlines, Inc. (GWA) operates as a passenger air carrier offering commuter service between Los Angeles and several Southern California points, including Santa Catalina Island; and between San Francisco and Santa Rosa, San Jose and Monterey.

Decision No. 78131, dated December 30, 1970, in this proceeding authorized GWA to increase its air fares on an interim basis, pending hearing. Said interim fares are scheduled to expire July 3, 1971.

In its petition filed April 7, 1971, GWA states that public hearing on its application has been scheduled for July 13, 1971, and requests that an extension of its interim fares be authorized until such time as the Commission may issue its decision after said hearing.

The Commission finds that the requested extension of the interim increased fares to October 15, 1971 will be reasonable and is justified.

SECOND INTERIM ORDER

IT IS ORDERED that:

1. Golden West Airlines, Inc. is authorized to establish the increased fares proposed in Application No. 52297 to expire October 15, 1971, unless sooner modified, cancelled or extended by order of the Commission. Tariff publications authorized to be made as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than three days after the effective date hereof on not less than three days' notice to the Commission and the public.

2. The authority granted herein shall expire unless exercised within thirty days after the effective date of this order.

The effective date of this order shall be ten days after the date hereof.

Dated at Los Angeles, California, this 27th day of APRIL, 1971.
