ORDER REVOKING OPERATIVE RIGHT

Erikson Navigation Company, a corporation, possesses a certificate of public convenience and necessity to operate an "on call" service as a common carrier by vessel for the transportation of property between certain points on San Francisco, San Pablo and Suisun Bays; San Joaquin, Sacramento and Napa Rivers; and Petaluma Creek and their tributaries.

Henry Nichols, President of Erikson Navigation Company, has informed the Commission by letter that the corporation has not operated for several years and has no vessels or equipment. He states that the corporation has no plans for future operations and requests that the operative right be revoked.

In the circumstances, it appears, and the Commission finds, that revocation of the certificate, as requested, would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the certificate should be revoked and that the tariffs applicable to the services thereunder should be canceled.

IT IS ORDERED that:

1. The certificate of public convenience and necessity to operate as a common carrier by vessel granted to Erikson Navigation Company, a corporation, by Decision No. 13566 dated May 17, 1924, in Application No. 10001, as amended by Decision No. 29778 dated May 24, 1937, in Cases Nos. 3824 and 4012 is hereby revoked.

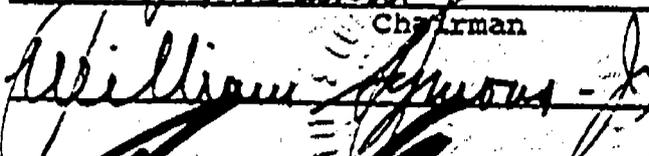

2. Erikson Navigation Company Demurrage Tariff No. 1, C.R.C. No. 3, Proportional Freight Tariff No. 1, C.R.C. No. 6, and Local Freight Tariff No. 3-A, C.R.C. No. 5, are hereby canceled.

The Secretary is directed to cause service of a certified copy of this order to be made upon Erikson Navigation Company or to mail a certified copy thereof to it at its last known address as shown in the Commission's records.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 25th day of May, 1971.
