Application No. 48207

ORDER OF REVOCATION

By Decision No. 71268 dated September 13, 1966, in Application No. 48207, Morlin Childers was granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between the City of El Centro and points of interest in Imperial and San Diego Counties.

Morlin Childers has requested in writing that his certificate be canceled. He alleges that due to insufficient patronage he is unable to pay operating costs. Revenues have not been enough to cover insurance premiums and the carrier's liability insurance was canceled effective May 3, 1971.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between the City of El Centro and points of interest in Imperial and San Deigo Counties authorized by Decision No. 71268 in Application No. 48207 is hereby revoked and all effective tariffs and timetables on file with the Commission in the name of Morlin Childers are canceled upon the effective date of this order.

The Secretary is directed to mail a certified copy of this order to Morlin Childers at 1221 South 14th Street, El Centro, CA 92243, last known address as shown on the Commission's records.

The effective date of this order shall be the twentieth day after the above mailing to Morlin Childers.

Dated at San Francisco, California, this 29th day of JUNE, 1971.
