Application No. 52654  
(Filed May 28, 1971)

OPINION AND ORDER

By Decision No. 57063, dated July 29, 1958, in Case No. 5432, Petition No. 107, Howard Wilson, doing business as Ace Delivery, was granted an exemption from the minimum rates for the transportation of wholesale drugs, wholesale electronics, and electrical supplies and equipment in shipments of 100 pounds or less between points within the area between South San Francisco and San Jose and the Skyline Boulevard and San Francisco Bay. By this application, Howard Wilson states he has incorporated his business as Ace Delivery Express, Inc., and has transferred his highway carrier permits to the corporation. He now requests that the exemption from the minimum rates be transferred from him, as an individual, to the corporation. The application shows that the service as a corporation is no different from that performed by Wilson as an individual.

It is apparent, and the Commission finds, that the exemption granted to Howard Wilson, as an individual, should be continued to the new corporation that he has formed. We conclude that the application should be granted.

C.52654 NB

IT IS ORDERED that Decision No. 57063, dated July 29, 1958, in Case No. 5432 Petition No. 107, is amended by substituting Ace Delivery Express, Inc., for Howard Wilson, doing business as Ace Delivery.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 21<sup>st</sup> day of SEPTEMBER, 1971.
