Application No. 52725
(Filed June 28, 1971)

INTERIM ORDER

Southern Pacific Transportation Company is hereby authorized to construct an additional spur track at grade across Tujunga Avenue in the City of Los Angeles, Los Angeles County, at the location described in the application, to be identified as a portion of Crossing No. E-459.1. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72 and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding six percent. Protection shall be two Standard No. 8 flashing light signals (General Order No. 75-B) augmented with automatic gate arms and flashing light signals on cantilever arms.

Applicant shall bear entire construction expense of the crossing as well as the maintenance expense inside of lines two feet outside of rails.

The applicant and the City of Los Angeles are not in agreement as to the apportionment of the crossing protection costs. The apportionment will be determined after hearing by further order of the Commission.

No obstructions shall be placed or remain near the flashing light signals which will impair the motorists' view.

Clearances shall conform to General Order No. 26-D. Within the area of the grade crossing construction, walkways for a distance of 6' from the rail on both sides of the track shall

provide a reasonable regular surface with gradual slope not to exceed 1" vertical to 8" horizontal in all directions of approach in accordance with the provisions of General Order No. 118.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 21st day of SEPTEMBER, 1971.
