ation, to construct a second standard }
gauge railroad track at grade across }
McClure Avenue, in the County of }
Stanislaus, State of California. }

Application No. 52853
(Filed September 10, 1971)

O R D E R

Modesto Interurban Railway is hereby authorized to construct an additional track at grade across McClure Road near Empire, Stanislaus County, at the location described in the application, to be identified as a portion of Crossing No. 23-3.7.

Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without super-elevation and of a width not less than 24 feet, with tops of rails flush with the roadway and with grades of approach not exceeding two percent. Protection shall be two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflective sheet material. Applicant shall bear entire construction and maintenance expense.

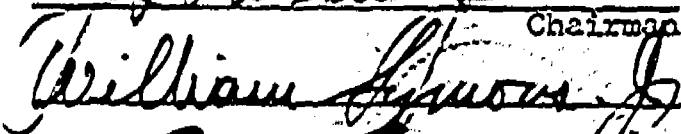

Clearances shall conform to General Order No. 26-D. Within the area of the grade crossing construction, walkways for a distance of six feet from the rail on both sides of the track shall provide a reasonable regular surface with gradual slope not to exceed one inch vertical to eight inches horizontal in all directions of approach in accordance with the provisions of General Order No. 113.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 7th day of DECEMBER, 1971.
