Case No. 9313

CEASE AND DESIST ORDER

Upon reading of the verified complaint in the above-entitled proceeding and it appearing to the Commission that there is good cause to believe that irreparable injury may be caused to complainant by the enforcement of defendant's tariff provisions pertaining to supersedure, and

It further appearing that these tariff provisions may be in conflict with the Federal Bankruptcy Act; and

It further appearing that defendant has no objection to an order herein, without hearing, requiring it to cease and desist from discontinuing service on any of complainant's present telephone numbers, provided that complainant pay all charges therefor on a current basis;

THEREFORE IT IS ORDERED that defendants shall cease and desist from discontinuing service to complainant at any of complainant's present telephone numbers, provided that complainant shall pay all charges incurred for this service on a current basis. This order shall continue in effect until further order of the Commission.

IT IS FURTHER ORDERED that the parties herein shall appear before such Commissioner and/or Examiner at a time and place to be designated, at which time a hearing will be held on the merits of the complaint.

The Secretary is directed to cause a certified copy of this order to be served on the parties to the complaint. The Secretary is further directed to serve a copy of the complaint on defendant.
