Application No. 52885
(Filed September 24, 1971)

O R D E R

The verified application of The Atchison, Topeka and Santa Fe Railway Company filed on September 24, 1971 discloses that no passenger or freight business has been transacted at applicant's station of Falda during the past several years and that continued maintenance thereof is not necessary.

The application was listed on the Commission's Daily Calendar of September 27, 1971. Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It is found that public convenience and necessity no longer require the service in question. The Atchison, Topeka and Santa Fe Railway Company is hereby authorized to abandon its non-agency station of Falda, County of San Diego; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.
