Application No. 44338

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 63691, dated May 14, 1962, in this proceeding, C. R. Von Arx and L. R. Von Arx, co-partners, doing business as Riverview Logging Co., acquired a certificate of public convenience and necessity to transport lumber and forest products between various points in the State as a highway common carrier. This authority was originally granted by Decision No. 43428, dated October 18, 1949, in Application 30212 to Al Blasi.

The applicants, having financial problems, heretofore requested authority to suspend service as a highway common carrier for one year. Authority to suspend highway common carrier operations to November 5, 1971 was granted by Decision No. 77971, dated November 24, 1970.

The suspension period has terminated but the partners have failed to resume or request further suspension of operations despite repeated requests of the staff to dispose of the matter.

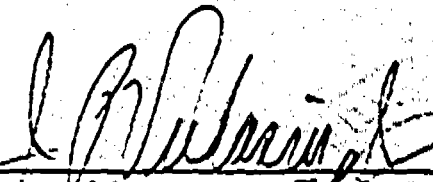

Therefore, good cause appearing,

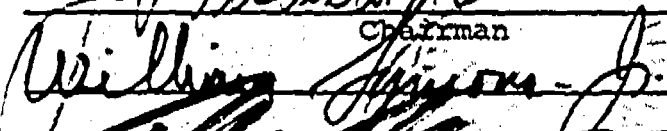

IT IS ORDERED that the certificate of public convenience and necessity to operate as a highway common carrier acquired by C. R. Von Arx and L. R. Von Arx by Decision No. 63691 dated May 14, 1962 in Application No. 44338 is hereby revoked effective April 22, 1972, unless on or before such date service is resumed or an application is filed to further suspend the certificate.

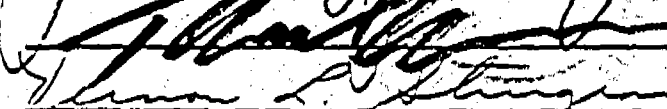

The Secretary is directed to cause service of this order to be made by certified mail upon C. R. Von Arx and L. R. Von Arx.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 14th day of March, 1972.
