Application No. 52294

ORDER GRANTING MOTION TO REOPEN RECORD TO RECEIVE
MOST RECENT TRAFFIC DATA, SUBJECT TO RIGHT OF
CROSS-EXAMINATION AFTER COMPLETION OF ORAL ARGUMENT

On March 8, 1972, Air West, protestant in the above named proceeding, filed a motion requesting that the record be reopened for the purpose of receiving the 1971 traffic data for its Eureka-San Francisco service.

The motion states that the information updates the traffic data introduced by Air West during the hearing in this proceeding, and that it is vital to a sound decision in this case.

On March 13, 1972, the Commission staff filed a motion in support of Air West's request. No objections have been filed.

The Commission concludes that the motion should be granted. If any party wishes to cross-examine Air West's appropriate witness concerning the data, time will be provided for this purpose on March 22, 1972 after completion of oral argument.
