

Decision No. 79843

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application)
of: ARMORED TRANSPORT, INC., a)
corporation, and VALLEY ARMORED)
TRANSPORT, INC., a corporation,)
for relief from rate fund)
fee assessment.)

Application No. 52571

ORDER VACATING ORDER STAYING OPERATIVE EFFECT OF DECISION
NO. 79296 AND SUSPENDING AND REVOKING OPERATING
AUTHORITY

On March 8, 1972, the petition filed in the Supreme Court of the State of California (L.A.No. 29962, Armored Transport, Inc. and Valley Armored Transport, Inc. vs. Public Utilities Commission) for writ of review of Decision No. 79296 in the above-entitled proceeding was denied, and good cause appearing,

IT IS HEREBY ORDERED that:

1. Decision No. 79747 which stayed the operative effect of Decision No. 79296 is vacated.

2. The highway contract carrier permit of Armored Transport, Inc., and the highway contract carrier permit and radial highway common carrier permit of Valley Armored Transport, Inc., are suspended March 31, 1972 and revoked May 1, 1972, unless on or before such dates Transportation Rate Fund fees owing this Commission in the amount of \$767.89 by Armored Transport, Inc., and \$22.16 by Valley Armored Transport, Inc., are paid; in which event the suspended permits shall be reinstated.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 21st day of March, 1972.

Chairman

Commissioners
