vs.

GENERAL TELEPHONE COMPANY OF  
CALIFORNIA, a corporation;  
SOUTHERN CALIFORNIA EDISON  
COMPANY, a corporation,

Defendants.

Case No. 9008  
(Petition for Extension of Time  
to File Exceptions to  
Examiner's Proposed Report)

ORDER EXTENDING TIME

Complainant, following unsuccessful efforts to obtain a stipulation from defendants' respective counsel for an extension of time from March 29 to April 28, 1972 to serve and file exceptions to the proposed report herein, dated March 9, 1972, filed, on March 20, 1972, a petition for such extension.

Defendants, though opposing the proposed extension, have indicated no opposition to an extension either of 30 days from the date of the report or until April 18, 1972. The staff has not indicated its position on the petition.

We have considered the petition and the objections filed thereto and, being of the opinion that no sufficient cause has been made to appear for complainant's request,

IT IS ORDERED that complainant may have to and including April 18, 1972 within which to serve and file exceptions to the proposed report herein.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 24th day of MARCH, 1972.
