No. 212)
(Filed August 4, 1971;
amended September 10, 1971)

ORDER DENYING REHEARING

By Decision No. 79731, this Commission suspended rate amendments authorized by Decision No. 79674, pursuant to order of the Federal Price Commission imposing a temporary freeze on rates charged by carriers on and after February 10, 1972. The temporary freeze on rates has since expired but the order suspending the aforementioned rate amendments has remained in effect pending consideration of petitions for rehearing of Decision No. 79674, which had been filed with the Commission by parties hereinafter named.

Associated General Contractors of California, California Trucking Association, and California Asphalt Pavement Association having petitioned for rehearing of Decision No. 79674, the Commission having considered each and every allegation therein, and being of the opinion that no grounds for rehearing are set forth;

IT IS ORDERED that rehearing of Decision No. 79674 is denied.

IT IS FURTHER ORDERED that:

1. Minimum Rate Tariff 7 (Appendix A to Decision No. 32566, as amended) is further amended by incorporating therein, to become effective April 22, 1972, Supplement 35, which supplement is attached hereto and by this reference made a part hereof.

This order shall become effective on the date hereof.
