Application No. 53096

SUPPLEMENTAL OPINION AND ORDER

James R. Mullens, Howard W. Hester and Bernard J. Glaser, doing business as a partnership under the fictitious name of Action Drayage Co., by Decision No. 79857, dated March 28, 1972, in Application No. 53096, were granted a certificate of public convenience and necessity authorizing operations as a highway common carrier, as defined in Section 213 of the Public Utilities Code, between points and places in the San Francisco Territory and over routes particularly set forth in Appendices A and B attached thereto and made a part of Decision No. 79857. A certain highway designation referred to in this decision was inadvertently misdescribed.

In the circumstances, it appears, and the Commission finds, that the necessary change should be made by the order herein. A public hearing is not necessary. The Commission concludes that Appendix A of Decision No. 79857, supra, should be amended accordingly.

IT IS ORDERED that Decision No. 79857 is hereby amended by substituting the attached First Revised Page 1 of Appendix A in the place and stead of the present Original Page 1 of Appendix A.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 17<sup>th</sup> day of June, 1972.

  
Chairman  
  
  
Commissioners
