California.)

Case No. 9365

ORDER EXTENDING TIME

Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas & Electric Company having on June 12, 1972, June 14, 1972 and June 14, 1972, respectively, requested in writing, an extension of time, until November 1, 1972, to comply with items 5 through 10 of Appendix A in the Order Instituting Investigation, Case No. 9365, dated April 18, 1972, because of unavailability of personnel at this time and because standards requested do not take the form of specifications ready for filing with the Commission, and it appearing to the Commission that the extension should be granted, therefore,

IT IS HEREBY ORDERED that the time limit for compliance with items 5, 6, 7, 8, 9, and 10 of Appendix A in the Order Instituting Investigation, Case No. 9365 is extended to November 1, 1972.

In all other respects the Order Instituting Investigation shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 13th day of July, 1972.
