Case No. 9405

ORDER MODIFYING DECISION

Good cause appearing therefor,

IT IS HEREBY ORDERED that Decision No. 80385 be modified as follows:

1. The citation on the ninth line of the first full paragraph on page 5 is modified to read "4 Cal. 3rd 288".

2. The second paragraph on page 7 is hereby modified to read as follows:

"The Commission is, however, of the opinion that Sections (A)(5)(c) and (B)(5)(b) of Rule 23.1 assist it in discharging its duties under Price Commission Regulation 300.16(a)(C)(5) since if, in fact, a showing were to be made that carriers of the 'type or class of carrier best suited economically to perform a particular service' are willing and capable (at a fair return to themselves) of providing a reasonable quantity of such service at the existing rate or rates, this showing would tend to indicate substantial evidence of productivity gains."

C.9405 88

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 29th day of AUGUST, 1972.
