Application No. 53378

ORDER OF REVOCATION

By Decision No. 79742 in Application No. 52516, Golden Pacific Airlines, Inc. was granted a Certificate of Public Convenience and Necessity to operate as a passenger air carrier between Travis Air Force Base and San Francisco, and Travis Air Force Base and Oakland, respectively.

On or about April, 1972, Golden Pacific discontinued all service to and from Travis Air Force Base. The Commission finds that discontinuance of service to Travis Air Force Base is good cause for revocation of all authority to serve this point.

The Commission concludes that Travis Air Force Base should be deleted as a point named in the Certificate of Public Convenience and Necessity issued to Golden Pacific Airlines, Inc.

IT IS ORDERED that the authority to operate as a passenger air carrier between Travis Air Force Base and San Francisco and Travis Air Force Base and Oakland is revoked. The certificate of Golden Pacific Airlines, Inc., as revised by this order, will be set forth by further order of the Commission.

The Secretary is directed to mail a certified copy of this order to Mr. Robert Darwin, President, Golden Pacific Airlines, Inc., at San Francisco International Airport, San Francisco, California 94128, last known address as shown on the Commission's records.

The effective date of this order shall be the 30th day after the above mailing to Golden Pacific, unless before such effective date there shall have been filed with the Commission written response to this order requesting public hearing in which event the effective date of this order shall be stayed until further order of the Commission. Should such written response be received, hearing shall be held concurrently with Application No. 53378, request of Nor-Cal Aviation, Inc. for a Certificate of Public Convenience and Necessity to provide passenger air service between Redding, Willows, Sacramento, Travis Air Force Base or Nut Tree Airport, and San Francisco,

Dated at San Francisco, California, this 29th day of AUGUST, 1972.
