Case No. 7409
(Filed July 26, 1962)

MODIFICATION OF DECISION NO. 71575

By letter of September 1, 1972, respondent, The Pacific Telephone and Telegraph Company has requested modification of Ordering Paragraph No. 2 of Decision No. 71575 relative to requirements for periodic reports on the provision of non-optional detailed billing of multi-message unit charges. In order to reduce expenses, Pacific requests that such reports be filed annually instead of quarterly, as presently required. Good cause appearing,

IT IS HEREBY ORDERED that Ordering Paragraph No. 2 of Decision No. 71575 is modified to read as follows:

2. Respondent shall provide non-optional detailed billing of multi-message unit charges for business and residential service progressively by exchanges as soon as the necessary equipment can be installed, shall within sixty days after the effective date of this order tender this Commission the schedule by

which it proposes to effect compliance with this paragraph and shall thereafter on January 1 of each year report to this Commission the progress and status of its compliance with this paragraph.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 3rd
day of OCTOBER, 1972.
