SUPPLEMENTAL ORDER

Ordering Paragraph 4 of Decision No. 80476, dated September 12, 1972, orders applicant to file a plan and schedule for refunds of the so-called La Mirada Trust to the La Mirada District customers. This decision provided that after the plan and schedule of refunds has been accepted, the Commission by supplemental order will authorize the filing of the increase in rates for the La Mirada District as they appear in Appendix B of said decision.

The plan provides that domestic customers of record on the date of refund will receive refunds on an average basis while commercial, industrial and public authority customers will receive refunds based upon their relative water use during the period August 13, 1968 to December 31, 1971.

The letter and two table attachments filed with the Commission on September 25, 1972 constitute an acceptable plan and refund schedule in compliance with Ordering Paragraph 4 of Decision No. 80476; therefore,

IT IS ORDERED that Southwest Water Company is authorized to file the increased rates for the La Mirada District attached to Decision No. 80476 as Appendix B, and

IT IS FURTHER ORDERED that the Southwest Water Company shall file a report showing the amounts refunded by classes of service by January 1, 1973 and thereafter every six months until January 1, 1974. At that time the applicant shall present a plan for disposition of any unrefunded amounts which shall be approved by Supplemental Order of the Commission.

The effective date of this order is the date hereof.

Dated at San Francisco, California this 11<sup>th</sup>  
day of OCTOBER, 1972.
