Application No. 52369

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 78203, dated January 19, 1971, Mammoth Stage Lines, Inc., a corporation, was granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between Bishop, Mammoth Lakes area, June Lake area and intermediate points.

Subsequently, by Decision No. 79598, dated January 11, 1972, as amended, Mammoth Stage Lines, Inc. was granted temporary authority to extend its existing routes to include the "Old Mammoth" area; authority was to expire on July 1, 1972, unless extended or modified by further order of this Commission.

There having been no protests nor complaints received by this Commission on the service and operations conducted by Mammoth Stage Lines, Inc. of this temporary authority and it appearing that no other scheduled service into the area is being proposed; and in view of the traffic anticipated in the impending ski season, the Commission finds permanent authority is required and justified. Therefore, good cause appearing,

IT IS ORDERED that Ordering Paragraph 2 of Decision No. 79598, is modified and shall instead, read as follows:

"2. Authority granted in Ordering Paragraph 1 hereof, is hereby made permanent, unless modified by further order of this Commission."

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 25<sup>th</sup> day of OCTOBER, 1972.
