Decision No. 80713

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

THE PEOPLE'S LOBBY,

Plaintiff,

v.

Case No. 9291

SOUTHERN CALIFORNIA EDISON
COMPANY AND SAN DIEGO GAS
AND ELECTRIC COMPANY,

Defendants.

ORDER GRANTING REHEARING

Petition for rehearing or reconsideration of Decision No. 80242 has been filed by The People's Lobby. Several grounds for rehearing are briefly set forth, one of which alleges a failure by the Commission to hear evidence necessary for a proper determination of this Commission's jurisdiction over the subject matter of the complaint. No disclosure is made, however, of the nature of such evidence which would permit the Commission to evaluate the relevance and materiality thereof. Therefore, good cause appearing,

IT IS ORDERED that rehearing and reconsideration of Decision No. 80242 is hereby granted, said rehearing to be had before such Commissioner or Examiner and at such time and place as may hereafter be designated. Said rehearing shall be limited to the issues relating to the alleged new evidence claimed by The People's Lobby and the jurisdiction of this Commission with

with respect to such evidence. It is directed that counsel for The People's Lobby be prepared, at a prehearing conference to be had prior to said rehearing, to identify the witness or witnesses expected to present such evidence, describe their qualifications therefor and present a summary or description of the substance, purport, relevance and materiality of the evidence.

The Secretary is directed to cause appropriate notice of said prehearing conference and rehearing to be mailed at least ten (10) days before the date set therefor.

Dated at San Francisco, California, this 14th day of NOVEMBER, 1972.
