OPINION AND ORDER

By Decision No. 79442, dated December 7, 1971 in the above proceedings, the Commission, in conforming with the Federal Government's temporary freeze on rates, extended the expiration date of certain tariff provisions, which would have resulted in increases had such provisions been allowed to expire.

Inasmuch as the aforementioned freeze on rates has expired, the Commission finds that:

1. The temporary tariff provisions should be allowed to expire.
2. Increases resulting from the expiration of such tariff provisions are justified.
3. A public hearing is not necessary. The Commission concludes that the involved minimum rate tariffs should be amended accordingly.

IT IS ORDERED that:

1. Minimum Rate Tariff 2 (Appendix D to Decision No. 31506, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 100, Fifty-Ninth Revised Page 15, Twenty-First Revised Page 15-A and Ninth Revised Page 37-E attached hereto and by this reference made a part hereof.
2. Exception Ratings Tariff 1 (Appendix A to Decision No. 66195, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 17, Eighth Revised Page 27-U, Fifth Revised Page 27-V and Fifth Revised Page 27-W attached hereto and by this reference made a part hereof.
3. Minimum Rate Tariff 1-B (Appendix B to Decision No. 65834, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 13, Twelfth Revised Page 14 and Seventh Revised Page 30-A attached hereto and by this reference made a part hereof.
4. Minimum Rate Tariff 9-B (Appendix A to Decision No. 67766, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 10, and Twelfth Revised Page 17 attached hereto and by this reference made a part hereof.
5. Minimum Rate Tariff 10 (Appendix A to Decision No. 44633, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 18, attached hereto and by this reference made a part hereof.

6. Minimum Rate Tariff 19 (Appendix A to Decision No. 41363, as amended) is further amended by incorporating therein to become effective March 15, 1973, Supplement 22 and Eleventh Revised Page 15-A attached hereto and by this reference made a part hereof.

7. Common carriers subject to the Public Utilities Act, to the extent that they are subject to Decisions Nos. 31606, 41363, 44633, 65834, 66195 and 67766, as amended, are hereby directed to establish in their tariffs the amendments necessary to observe the Commission's minimum rate orders.

8. Tariff publications required or authorized to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than March 15, 1973 on not less than one day's notice to the Commission and to the public; such tariff publications as are required shall be made effective not later than March 15, 1973; as to increases which are authorized but not required, the authority herein granted shall expire unless exercised within sixty days after the effective date of this order.

9. Common carriers, in establishing and maintaining the amendments authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the amendments published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

C. 5432 (Pet. 582), et al. - ltc**

10. In all other respects Decisions Nos. 31606, 41363, 44633, 65834, 66195 and 67766, as amended, shall remain in full force and effect.

The effective date of this order shall be March 13, 1973.

Dated at San Francisco, California, this 23rd day of February, 1973.
