SUPPLEMENTAL INTERIM OPINION AND ORDER

In the captioned proceedings applicants have been granted interim authority, pending hearing, to charge less than the established minimum rates for the transportation of silica sand and related commodities for various shippers. The interim rate authorities are scheduled to expire March 1, 1973 (February 28, 1973 with respect to Application No. 53449).

The captioned applications have been consolidated for hearing with Order Setting Hearing 233 in Case No. 5437, which concerns the revision of minimum rates for silica sand. A hearing in the consolidated proceeding is scheduled for March 13, 1973.

A. 52895 et al. jmd

The interim authorities should be continued in effect until a decision is rendered in the consolidated proceeding. Therefore,

IT IS ORDERED that the less than minimum rate authorities granted in the following decisions are extended until further order of the Commission:
