Application No. 53718
(Filed November 29, 1972)

O R D E R

The Southern Pacific Transportation Company is hereby authorized to relocate its main line track at grade across North "P" Street in the City of Livermore in the County of Alameda at the location and substantially as shown by the plans attached to the application. The crossing identification will remain Number D-46.6.

The construction of the rail crossing shall be equal or superior to Standard No. 2 (General Order 72-A) with tops of rails flush with the finished roadway. Width of the crossing shall be not less than 54 feet. Finished grades of approach shall conform to the existing roadway.

Clearances, including any curbs, shall conform to General Order 26-D. Walkways shall conform to General Order 118 in that the transition slope between walkways required under General Order 118 and top of roadway shall provide a reasonable regular surface with gradual slope not to exceed one inch vertical to eight inches horizontal in all directions of approach.

Protection at the new location shall be two Standard No. 9-A gate/cantilever signals (General Order 75-C).

Construction and relocation expenses of the crossing and installation expense of the automatic crossing protection shall be borne by the applicant.

Maintenance cost of the crossing within lines two feet outside of rails shall be borne by the applicant. Maintenance cost of the automatic protection shall be borne by the applicant.

No train, engine or car shall be operated over the crossing until the protection ordered herein is installed and operative.

Within thirty (30) days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 27th day of MARCH, 1973.
