Case No. 5432
 Petition for Modification
 No. 735
 (Filed January 12, 1973)

OPINION AND ORDER

By Decision No. 81042 dated February 14, 1973 in this proceeding, Yreka Western Railroad Company was granted interim authority to publish certain minimum charges lower than those otherwise applicable for a period of six months. Decision No. 81042 ordered a hearing to be held for the receipt of evidence.

By letter dated April 2, 1973, petitioner requested the petition be dismissed. The letter states in part: "The Petition has been assigned for oral hearing, and a review of Petitioner's revenue from the transportation which is the subject of the Petition indicates that the additional time and expense involved in an oral hearing are not justified by the revenue involved."

IT IS ORDERED that:

1. Petition for Modification No. 735 in Case No. 5432 is dismissed.
2. The interim authority granted by Decision No. 81042 is cancelled effective concurrently with the effective date of the tariff filings required by paragraph 3 hereof.

3. Tariff publications required to be made as a result of the order herein shall be filed not later than the fifth day after the effective date of this order on not more than one day's notice to the Commission and to the public.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 22nd
day of MAY, 1973.
