Application No. 54053  
Petition for Modification  
(Filed July 13, 1973)

FIRST SUPPLEMENTAL ORDER

By Decision No. 81485, dated June 19, 1973, in the above-entitled matter, the Commission authorized Southern California Edison Company to issue, sell and deliver, upon substantially the terms and conditions set forth in the application, not exceeding 750,000 shares of its \$100 Cumulative Preferred Stock, 7.325% Series.

Exhibit A, attached to the Petition for Modification filed in this proceeding, is substantially the form of Certificate of Determination of Preferences of the \$100 Cumulative Preferred Stock, 7.325% Series, which the company intends to file with the Secretary of State. Said exhibit supersedes Exhibit F attached to the application, and reflects inconsequential changes from the latter insofar as this Commission is concerned.

Good cause appearing,

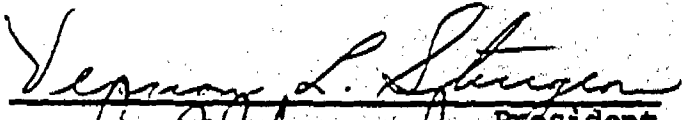

IT IS ORDERED that Ordering Paragraph No. 1 of Decision No. 81485 is hereby amended to read as follows:

1. Southern California Edison Company, on or before December 31, 1973, may issue, sell and deliver, at a price of not less than \$100 per share not exceeding 750,000 shares of its \$100 Cumulative Preferred Stock, 7.325% Series, of the aggregate par value of not exceeding \$75,000,000, upon substantially the terms and conditions set forth in the application as superseded, in part, by the Petition for Modification.

IT IS FURTHER ORDERED that Decision No. 81485 shall remain in full force and effect, except as modified by this First Supplemental Order.

The effective date of this First Supplemental Order is the date hereof.

Dated at San Francisco, California, this 24th day of July, 1973.
