INTERIM OPINION AND ORDER

On May 30, 1973 an "Order of Suspension and Investigation" was entered which ordered an investigation into the reasonableness of C. W. Bird, dba Anoosh-Van Water System's tariff Sheets Nos. 125-W and 126-W which were filed on May 10, 1973 under Advice Letter No. 9. The "Order of Suspension and Investigation" also ordered the suspension of said tariff filings for a period of ninety days.

Public hearing in the investigation was held August 22, 1973. The Commission is still evaluating the evidence presented at the hearing.

By letter of August 28, 1973, copies of which were sent to all appearances, respondent's attorney supplied information which may result in setting aside submission and reopening the proceeding.

Under the circumstances the Commission finds that the tariff filings should be suspended for an additional period of six months.

IT IS ORDERED that the operation of each of the tariff sheets hereinabove mentioned is hereby suspended until six months after the date such tariff would have become effective.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 2nd  
day of OCTOBER, 1973.
