Case No. 8808
Petition for Modification
No. 21

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 81907, dated September 25, 1973, in the above proceeding, the Commission authorized changes in Constructive Mileage Percentage Increase Factors in Minimum Rate Tariff 18.

It has come to the Commission's attention that, inadvertently, ordering paragraph 3 in Decision No. 81907 provides for ten days' instead of five days' notice in connection with common carrier tariff filings.

In the circumstances, the Commission finds that the necessary correction should be made by the order herein. A public hearing is not necessary. The Commission concludes that Decision No. 81907 should be amended accordingly.

IT IS ORDERED that ordering paragraph 3 of Decision No. 81907 is amended to read:

"3. Tariff publications required to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the fifth day after the effective date of this

C. 8808 (Pet. 21) - HK

order on not less than five days' notice to the Commission and to the public and shall be made effective not later than October 20, 1973."

In all other respects, the provisions of Decision No. 81907 remain in full force and effect.

The effective date of this order shall be October 15, 1973.

Dated at San Francisco, California, this 10th day of October, 1973.
