SUPPLEMENTAL OPINION AND ORDER

American Courier Corporation (American) operates as a freight forwarder and as an express corporation between points in the State of California under certificates of public convenience and necessity granted by this Commission. American also operates as a highway permit carrier and, as such, is exempted from observance of the rates and rules in various Commission minimum rate tariffs in connection with the transportation of checks, drafts and/or money orders and related articles in vehicles not exceeding a licensed weight of 4,000 pounds.

American has submitted to this Commission a copy of its Certificate of Qualification issued by the Secretary of State indicating that it is fully qualified and authorized to transact intrastate business in the State of California under the corporate name of Purolator Courier Corp. Its certificates will be amended to show the new corporate name and it will be ordered to amend its tariffs pursuant to General Order No. 117. The aforementioned

exemption will also be amended to reflect the change in the involved corporate name. A public hearing is not necessary.

IT IS ORDERED that:

1. The certificates of public convenience and necessity granted to American Courier Corporation by Decisions Nos. 76236 dated September 30, 1969, in Application No. 50963 and Decision No. 76434 dated November 18, 1969, in Application No. 51453 are amended by substituting the name "Purolator Courier Corp." in place and stead of "American Courier Corporation."

2. Appendix B of Decision No. 76236, as heretofore amended, is further amended by incorporating Second Revised Page 1, attached hereto, in revision of First Revised Page 1.

3. Appendix B-1 of Decision No. 76434 is amended by incorporating First Revised Page 1, attached hereto, in revision of Original Page 1.

4. Within one hundred and twenty days after the date hereof, and on not less than ten days' notice to the Commission and to the public, Purolator Courier Corp. shall amend its tariffs on file with this Commission as required by Rule 6.2 of General Order No. 117.

5. Ordering Paragraph 4 of Decision No. 76236 dated September 30, 1969, as amended by Decision No. 76434 dated November 18, 1969, in Case No. 5432 (Petition for Modification No. 534) et al., is further amended by substituting the following for said paragraph:

"4. Purolator Courier Corp. is exempted from observance of the rates and rules in:

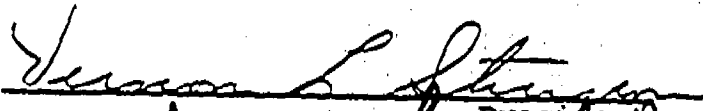

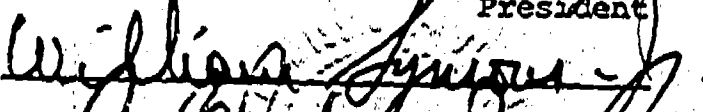

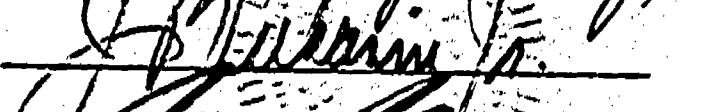

Minimum Rate Tariff 1-B,
Minimum Rate Tariff 2,
Minimum Rate Tariff 9-B and
Minimum Rate Tariff 19

in connection with the transportation of checks, drafts and/or money orders (moving in process of clearance between banks and/or clearing houses), legal documents, business records, audit media and tabulation cards when transported in a vehicle not exceeding a licensed weight of 4,000 pounds."

A. 50963, et al. - SR

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 4th day of December, 1973.

President

Commissioners

APPENDIX B
(Dec. No. 76236)

PUROLATOR COURIER CORP. First Revised Page 1

Purolator Courier Corp. is authorized to operate as a freight forwarder as defined in Section 220 of the Public Utilities Code via the lines of air common carriers between all points and places within the State of California subject to the following limitations:

1. The authority is limited to the following commodities: business records, audit media, tabulation cards, data processing materials, checks, drafts, securities, transit items, radioactive pharmaceuticals and film.
2. Shipments shall not exceed 50 pounds from one consignor to one consignee except work in process in which the limitation is 100 pounds per shipment.
3. Purolator Courier Corp. shall establish door-to-door rates for service between all points of collection and distribution.
4. In case of an emergency, such as an airport being closed because of weather conditions which would curtail the operations of air common carriers, highway common carriers or passenger stage corporations may be used to perform transportation between airports.

Issued by California Public Utilities Commission.

Amended by Decision No. 82196, Application No. 50963.

Purolator Courier Corp. is authorized to operate as an express corporation as defined in Section 219 of the Public Utilities Code via the lines of air common carriers between all points and places within the State of California subject to the following limitations:

1. The authority is limited to the following commodities: business records, audit media, tabulation cards, data processing materials, checks, drafts, securities, transit items, radioactive pharmaceuticals and film.
2. Shipments shall not exceed 50 pounds from one consignor to one consignee except work in process in which the limitation is 100 pounds per shipment.
3. Purolator Courier Corp. shall establish door-to-door rates for service between all points of collection and distribution.
4. In case of an emergency, such as an airport being closed because of weather conditions which would curtail the operations of air common carriers, highway common carriers or passenger stage corporations may be used to perform transportation between airports.

Issued by California Public Utilities Commission.

Amended by Decision No. 82196, Application No. 51453.
