vs.

SOUTHERN CALIFORNIA GAS COMPANY,

Defendant.

Case No. 9474

(Filed 11/22/72)

ORDER STAYING DECISION NO. 81802

San Diego Gas and Electric Company (SDG&E) has filed a petition for a writ of review of Decision No. 81802 with the Supreme Court of California. SDG&E has requested this Commission to stay or extend the effective date of that decision pending determination of said petition for a writ of review by the Supreme Court. It appears that good cause exists for staying the decision; however, nothing in the following order should be taken to affect the validity of Resolution No. G-1566, issued December 5, 1972, and the obligation of Southern California Gas Company (SoCal) to deliver peaking gas to SDG&E pending determination of the petition for a writ of review, in the amounts set forth in SoCal's Advice Letter No. 882, dated December 10, 1973.

THEREFORE, IT IS HEREBY ORDERED that Decision No. 81802 is stayed pending determination of the petition for writ of review in action S.F. No. 23073.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 8th day of

JANUARY, 1974.
