Decision No. 82408

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's  
own motion into the promulgation of  
a General Order providing for the  
procedures and standards to be  
followed for the interconnection of  
customer-provided communications  
terminal equipment to the tele-  
communications facilities of intra-  
state telephone utilities.

Case No. 9625

ORDER EXTENDING TIME FOR FILING OF REPLY  
COMMENTS AND PROVIDING FOR SERVICE OF RESPONDENTS' COMMENTS

The Commission having invited the respondents and all parties interested in these proceedings to file their comments by December 26, 1973, and their reply comments by February 3, 1974, and having extended the time for filing the comments until January 14, 1974, by its Decision No. 82162, now finds that a reasonable time should be allowed for the respondents and interested parties who have filed comments to obtain copies of the comments filed by other parties and to prepare their reply comments, therefore,

IT IS ORDERED that:

1. All the parties listed in Appendix A shall serve copies of their filings to all other parties listed therein within ten (10) days after the effective date of this order.

2. The time for filing the reply comments is hereby extended to forty (40) days after the effective date of this order. Such comments shall be filed with an original plus 12 copies.

The effective date of this order is the date hereof.

Dated at San Francisco, California,  
this 29th day of JANUARY, 1974.
