Decision No. 82582

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into the rates, rules, regulations, charges, allowances and practices of all common carriers, highway carriers and city carriers relating to the transportation of any and all commodities between and within all points and places in the State of California (including, but not limited to, transportation for which rates are provided in Minimum Rate Tariff No. 2).

Case No. 5432, OSH 725
(Filed December 5, 1972)

And Related Matters.

Case No. 5439, OSH 172
Case No. 5441, OSH 259
(Filed December 5, 1972)

SUPPLEMENTAL OPINION AND ORDER

The minimum rates for parcel delivery service set forth in Item 265 of Minimum Rate Tariff 2, Item 850 of Minimum Rate Tariff 1-B, Item 420 of Minimum Rate Tariff 9-B, and Item 425 of Minimum Rate Tariff 19 were established to meet the rates published and maintained by United Parcel Service, Inc. By Decision No. 82581, entered today, United Parcel Service, Inc. was authorized to increase its package rates by three cents and the Commission concluded therein that, in order to avoid duplication of tariff distribution, said tariffs should be amended by separate order to reflect the increase in the parcel delivery rate; therefore,

IT IS ORDERED that:

1. Minimum Rate Tariff 2 (Appendix D of Decision No. 31606, as amended) is further amended by incorporating therein, to become effective March 27, 1974, Fifth Revised Page 27-D, attached hereto and by this reference made a part hereof.

C. 5432, OSH 725 et al. ek

2. Minimum Rate Tariff 1-B (Appendix B of Decision No. 65834, as amended) is hereby further amended by incorporating therein, to become effective March 27, 1974, Fifteenth Revised Page 43, attached hereto and by this reference made a part hereof.

3. Minimum Rate Tariff 9-B (Appendix A of Decision No. 67766, as amended) is further amended by incorporating therein, to become effective March 27, 1974, Eighth Revised Page 45, attached hereto and by this reference made a part hereof.

4. Minimum Rate Tariff 19 (Appendix A of Decision No. 41363, as amended) is hereby further amended by incorporating therein, to become effective March 27, 1974, Twenty-seventh Revised Page 40, attached hereto and by this reference made a part hereof.

5. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than the fifth day after the effective date of this order on not less than five days' notice to the Commission and to the public and shall be made effective not later than March 27, 1974.

6. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing the long- and short-haul departures and to this order.

C. 5432, OSH 725 et al. ek

7. In all other respects Decisions Nos. 31606, 65834, 67766, and 41363, as amended, shall remain in full force and effect.

The effective date of this order shall be ten days after the date hereof.

Dated at San Francisco, California, this 12th day of MARCH, 1974.
