Case No. 5330
 (Petition for Modification
 No. 52)

SUPPLEMENTAL INTERIM OPINION AND ORDER

Decision No. 82316 dated January 8, 1974, in this proceeding established revised surcharge provisions to govern the minimum rates in Minimum Rate Tariff 4-B for the statewide transportation of uncrated used household goods and related articles by highway carriers.

Questions have arisen regarding the application of the aforementioned surcharges and determination of the charges under the application of said surcharges is uncertain.

In the circumstances, the Commission finds that the application of these surcharges should be clarified. A public hearing is not necessary. The Commission concludes that the tariff should be amended accordingly.

IT IS ORDERED that:

1. Minimum Rate Tariff 4-B (Appendix C of Decision No. 65521, as amended) is further amended by incorporating therein, to become effective April 6, 1974, Supplement 26, attached hereto and by this reference made a part hereof.

2. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decision No. 65521, as amended, are directed to establish in their tariffs the amendment necessary to conform with the further adjustments ordered herein.

3. Tariff publications required to be made by common carriers as a result of this order may be made effective not earlier than the first day after the effective date of this order on not less than one day's notice to the Commission and to the public, and shall be made effective not later than April 6, 1974.

4. Common carriers, in establishing and maintaining the amendment authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the amendment published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

5. In all other respects Decision No. 65521, as amended, shall remain in full force and effect.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 26th day of March, 1974.
