Application No. 53977

ORDER EXTENDING TIME

Rogers Motor Express, a corporation, has been authorized by Decision No. 81798 dated August 28, 1973, as modified by Decision No. 82346 dated January 15, 1974, in this proceeding to sell and transfer to Western Truck Lines, a corporation, a portion of its certificate to operate as a highway common carrier. Ordering Paragraph 1 of Decision No. 82346 extended the time period within which the transfer may be consummated to April 1, 1974. By letter dated March 7, 1974, the attorney for applicants states that a request for a similar transfer of interstate authority filed with the Interstate Commerce Commission has not been acted upon as yet and requests that the time specified in Ordering Paragraph 1 of Decision No. 82346 be extended so that the two sales and transfers may be handled jointly.

IT IS ORDERED that:

1. The time period specified in Ordering Paragraph 1 of Decision No. 82346 dated January 15, 1974 within which Rogers Motor Express, a corporation, may sell and transfer the operative rights referred to in Ordering Paragraph 1 of Decision No. 81798 dated August 28, 1973, as amended by Decision No. 82346, to Western Truck Lines, a corporation, is further extended to August 1, 1974.

2. In all other respects, Decision No. 81798, as amended by Decision No. 82346, shall remain in full force and effect.

The effective date of this order is the date hereof.
